

LIONFISH SIGHTING and COLLECTION FORM OCEAN SUPPORT FOUNDATION

For more information or to submit your sighting online visit: www.oceansupport.org

- We request that you fill out Section 1 of this form and deliver it to one of the drop off locations listed below.
- We are grateful for the donation of lionfish specimens for research purposes, however if you choose not to donate the fish any information you can add to Section 3 would be greatly appreciated.

Fish donation procedures: put the lionfish in a plastic bag, press air out, and seal. Put bagged lionfish, together with the form, into a second bag and seal. Place bag in the freezer or on ice. Drop off at a location listed at the bottom of this form.
